GOLF

**LOXTON**  
Golf Club

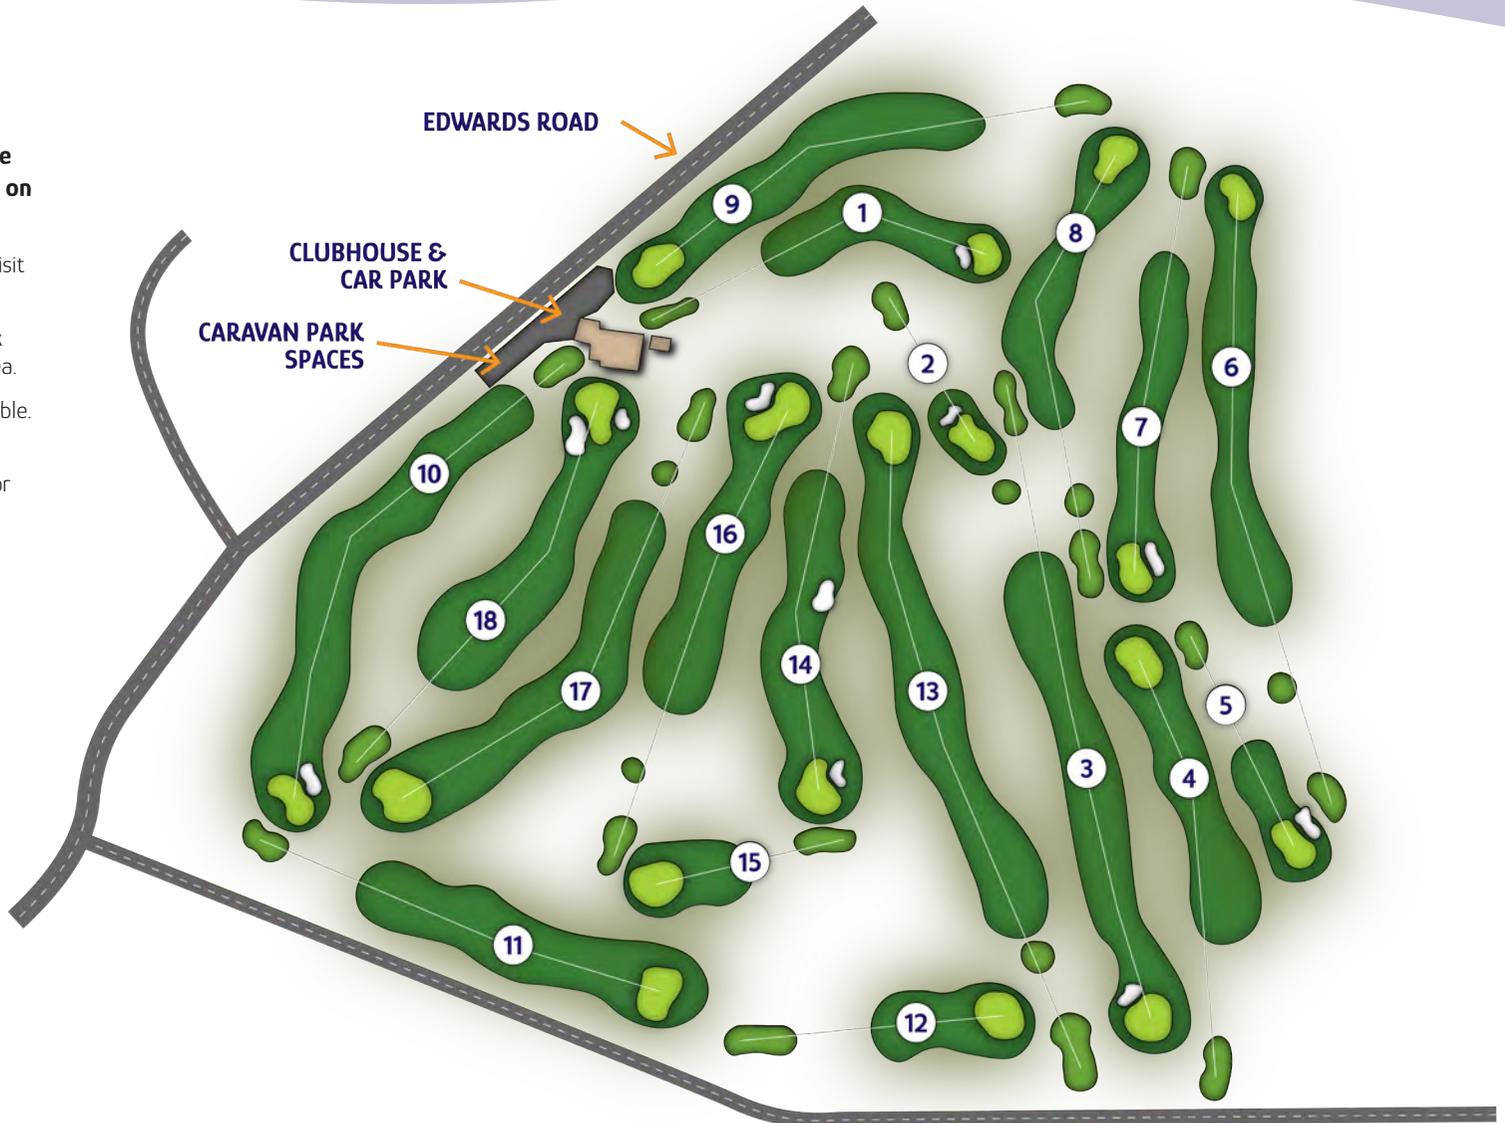

**Located on the outskirts of Loxton, the Loxton golf course presents a challenge to both the serious and social golfer on a picturesque, fully irrigated, 18 hole course.**

The tranquil setting and relaxed atmosphere make it a must to visit when next in the Riverland.

Overlooking the 18th hole, the clubhouse is staffed 7 days a week and offers full facilities; bar, snacks, showers and a barbecue area.

Group bookings are welcome and motorised golf carts are available.

Staying on site and taking advantage of the caravan & camping facilities (pet friendly) at great weekly rates, is another option for your visit.
